

409 Mound Street, Decorah, IA

Dwelling built by Mark Carolan an experienced custom condominium builder. The over 1500 square foot design and furnishings are top of the line with the best use of space. Qualified for 5 year tax abatement. Located on a quiet street on the West Side minutes away from the bike trail, Luther and downtown Decorah.

Brand new handicap accessible 2 bedroom, 2 bath, custom condo built with top of the line materials. A few of the embellishments are oak hand scraped hardwood floors, painted panel doors showcased by beautiful painted custom trim, Andersen windows. Tray ceilings accent the spacious feel. Gourmet kitchen includes solid surface countertops, a walk in pantry and stunning custom cabinets made by Gossling Woodworking. The magnificent tile shower in the master bath is a sure place to relax. An ICF wall divides the units. A beautiful four season room allows extra space to relax. The spacious attached garage gives plenty of room for two vehicles as well as ample storage. Enjoy the quiet street and neighborhood. Take advantage of the 5 year tax abatement and move in this summer!
